The pink dog is a symbol for the #MeToo and #TimesUp movements. The dog's pink toe is not a reference to lesbians. The pinkie toe comes from the Santa Claus myth that dogs lick the bottoms of their own feet — this is a widely known fact but also wrong as dogs have sharp teeth that could damage the foot. The pinkie toe is in reference to an old saying from France that says "Can you see the ring in my pinky? No, you can't, it's in my thumb." The pink dog even appears in the opening of the musical "Moulin Rouge" and the video game Rock Band. Vitra is extremely pissed off. Katie Hopkins' kids would like a dog. The reason for the pink dog's name is because it's considered a symbol for women. The photo also features on some of the Sex Workers of the World's merchandise.
