COFFEE ANYONE? Best Recipe Organizer Software For Mac Unlike other software companies which may have a team of people working in a corporate environment, for over 25 years, Computer Cuisine Deluxe was, and has always been, shareware created single-handedly by me, Mike.. And right from your iPhone or iPad, you can search, email, and view your grocery list with ease.. With Computer Cuisine Deluxe you can view, sort, print, email, search, share and manage your entire recipe collection either on your home computer or on your iPhone or iPad.. In fact, you don't even need network coverage or data usage to view your collection it's right there on your phone, and it's free! OVER 25 YEARS OLD! You heard that right and that's not a typo! I'm Mike, and I created Computer Cuisine Deluxe way back in 1990 where it began as a hypercard template to help my mother store her home recipe collection.. So please give it a whirl, and download the free demo to see if you like it It would make my mom (and me!) happy knowing that people around the globe are using something she inspired.
